Get up to 35 music credits free with 7 day eMusic trial subscription. 1 song = 1 credit for single tracks; albums require various numbers of credits. Offer only available to first-time eMusic music customers in the US and Canada, 18+ years of age. Web access, registration, & credit card required. Your free trial expires 7 days after registration or when you exceed your free trial credits (whichever comes first) at which time you will automatically become a paying eMusic member.
