

Comforters/Duvet Alternatives

Our Clara Clark Double fill comforters are an ultra-soft, microfiber down-alternative duvet. No more sneezy feathers required, because our tinsel/microfiber filling provides a light and airy, cozy yet breathable sensation.

Our Four-season comforters will keep you warm in the winter and cool in the summer! Wash them as often as you'd like in cold water with a quality detergent.

Double-needle stitching prevents the blanket from shifting and bunching while creating a classic comforter designed to last.

Available in King, Queen/Full. White is available in Twin
