### T-shirt Options

**Custom T-shirts** – we have created different popular designs with slogans for your group to select from. We require that the school or group selects one design to be put on their shirts for a cost of only \$11/shirt.

**Personalized T-shirts** – you can create your own image and slogan to have placed on your t-shirts. We require that you submit this information no later than December 15, 2018 so our designers can get a proof back to you for approval and then you can place your order. We require a minimum order of 80 t-shirts for this option. Create your own design and submit it to us in vector line format (often in a AI, EPS or PDF File Format) to be printed onto your shirts. An extra charge of \$50-\$75 will be charged if our design team is required to format your images and slogan.

### Process

- Order one t-shirt per student and/or run the Order Taker Program
- Group signs and faxes in Participation Agreement Form to Head Office indicating number of t-shirts and sizes they would like to order or if they select the Order Taker Program we need to know how many order takers they will require

- Groups that offer an Order Taker Program should do so for a period of 2 weeks
- Payment accepted by check, e-transfer or money order
- Fundraising Coordinator or Organizer collects all orders and tallies them up. The coordinator then completes the master order form indicating the address where they would like the order delivered to on the top part of the form. This order is faxed or emailed into Ultimate Fundraising Inc. at 1-250-489-8133 to be processed along with their payment.
- **Once payment is received, the groups order will be shipped out to them in February prior to February 22, 2019.**
